

FUN Literacy Activities you can do at home!

Use this guide to help you create some fun literacy activities at home!
Grades PreK-2nd (but can be modified for any age!)

Site Word Swat

Materials: Site words written on paper
Fly watters

Activity:

1. Spread several site words out on the floor
2. Parent - pick a site word and say it out loud
3. The child finds that word and swats it
4. Repeat!

Memory

Materials: Paper plates with words that have a match

Activity:

1. Lay the plates face down on the table (or floor if there is space)
2. Have the child turn two over at a time - reading the words, trying to match the words
3. If they do not match, both plates get turned back to face down
4. The child picks two more plates
5. They keep going until they have matched all the plates
